News From The Field

We salute you in the name of our Lord and Saviour Jesus Christ!

We are happy to report that the month of January was a blessed one. Two persons, namely **Brother Charles Crawford** and **Brother Clifton Casley** accepted the Lord as their personal Saviour. We have also had **Sister Norma Crawford** who joined the Mission by a transfer letter from Teakettle Baptist Church. We ask that you keep these people in your prayers.

On 29th January our Independent Baptist Association meeting was held at the Church in Orange Walk. We also had the privilege of having Pas-

tor Larry Butte, Brother John Gilmore and two (2) other brothers from Texas with us at that meeting.

On Sunday, January 30, one of the Brothers from Texas visited the Mission and preached for us and in the evening we had Pastor Larry Butte. We were blessed with both preachers.

During this time also Aaron Julian was in the hospital with asthma. His ordeal began on Saturday while we were in Orange Walk. We had to leave the meeting and take him to the hospital in Orange Walk. Around 2:00 a.m. on Sunday we had to rush him to the hospital in Belmopan.

This was the worse attach he ever had. He was released from the hospital on Tuesday. We ask you to please continue to pray for him.

In closing, we want to take this opportunity to thank our Pastor, Brother Darry Hatfield, our home Church and other Churches for your continued prayers and support. We can say without a doubt that God is good all the time and all the time God is good. We've got the power in the Name of Jesus; though satan rages, we will not be defeated! Our God still answers prayers and is still working. May God's richest blessings be with you all. We love you.
