News From The Field

**March
2011**

**Special points of
interest:**

Sister Kimberly Brown
Trusted Christ!

The grace of our Lord Jesus Christ and the fellowship of the Holy Spirit be with you.

First of all we would like to take this opportunity to give God thanks for the great love he has bestowed upon us.

Secondly, we apologize for the lateness in sub-

mitting our newsletter for the month of March.

We are happy to report that one soul was saved in the month of March.

Sister Kimberly Brown, nineteen, (19) years old except that the Lord has her personal savior. Kindly keep her in prayer.

In closing we take this opportunity to thank you for your continued prayers and support.

May God's richest blessings be with you today and always. We love you.

Yours in Christ development,
The Teck Family

A Word From Pastor Hatfield

I would like to explain and apologize to each of you for the delay in the newsletters for Brother Teck over the past months. Brother Teck has been experiencing computer problems and as such has had difficulty in getting the reports to me via email. We have been reviewing the problems to determine whether the best solution was to repair or replace the computer. It has been determined that it is more feasible to replace the unit considering the age of the computer.

Please bear with us as the Tecks work to get this new computer purchased and operating. Thank you for your patience and continued support.
