### **Words From The Tecks**

*April – July 2011*

#### **Greetings in the name of our Lord.**

The grace of our Lord Jesus Christ and the fellowship of the Holy Spirit be with you.

First of all we would like to apologize for the late submission of our newsletter; reason being that my wife has been ill since April. She underwent surgery on June 15 and is doing much better now. We thank you for your prayers over the months.

#### **Report for the month of April, 2011**

A team headed by our Pastor, Brother Darry Hatfield, visited the Mission from April 15 – 21. While in Belize our Pastor did four (4) nights of teaching on 'Faith.' The teachings were well received. This was due to the fact that our Pastor used different objects to bring across his message.

We must say that our Pastor is an excellent teacher and preacher. We pray God's richest blessings on him as he continues to do the Lord's work. We are also happy to report that during their time here (April 17), Sister Celestina Chacon accepted the Lord as her personal Saviour. Please keep her in your prayers.

We want to thank the other members of the team, including the Pastor of Nelson Valley Baptist Church, who made a huge sacrifice to accompany our Pastor on the mission trip. We love you all. Once again a big, big thank you.

#### **Report for the months of May and June, 2011**

Despite the attacks of Satan we continue to have wonderful services. Furthermore, we are extremely pleased to inform you that with effect from 30<sup>th</sup> May, we

welcome the opportunity to listen to messages from our Pastor on our local Christian radio station (My Refuge) weekdays from 11:30 a.m. to 12:00 noon (Belize Time). We find the messages to be very enlightening and beneficial. We also feel that this is an excellent opportunity to spread the gospel. Thanks once again Pastor. We trust that God will continue to use our Pastor in a mighty way

Although there were no moves in the month of June services were good. As mentioned earlier, my wife underwent surgery on 15<sup>th</sup> June. She is doing a lot better and we thank everyone for their prayers.

In closing, we take this opportunity to thank you for your continued prayers and support. God bless you all and we love you. Closing thought "We are more

*than conquerors through Jesus Christ.*

Yours in Christ development,

*The Teck Family*

# Thank you for your support!

Your help to makes this work possible
